## **ASSIGNMENT**

WHEREAS, WE, DAVID ROTH, JOAKIM AHLSTRÖM and DAVID GOETZ, declare:  
that our citizenships are as shown below adjacent to our names; that our post office addresses are  
as shown below adjacent to our names; that we have invented a certain product and process entitled  
"**COMPLIANT COMMUNICATIONS CONNECTORS**", hereinafter called the "invention."

Preferred embodiments of said invention are disclosed in a United States patent application  
filed on February 17, 1999 as Serial No. 09/251,391. The Assignee, **XIRCOM, INC.**, a California  
corporation, organized and existing under the laws of the State of California, located at 2300  
Corporate Center Drive, Thousand Oaks, California 91320, is desirous of acquiring the entire right,  
title and interest in said invention.

In consideration of \$1.00 and other good and valuable consideration paid to us by the  
Assignee, the receipt and sufficiency of which we hereby acknowledge, WE HEREBY ASSIGN TO  
THE ASSIGNEE:

The entire right, title and interest in said invention in the above-identified  
United States patent application and in all divisions, continuations and  
continuations-in-part of said application, or reissues or extensions of Letters Patent  
or Patents granted thereon, and in all corresponding applications filed in countries  
foreign to the United States, and in all patents issuing thereon in the United States  
and Foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

We hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and behalf of the said Assignee, its successors, assigns and legal representatives.

We hereby agree, without further consideration and without expense to us, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of us to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

This assignment and agreement shall be binding upon our heirs and legal representatives.
